

Napo Cultural Center ITINERARY WATER IS LIFE (Yaku Kausay)

DAY 1 CANOE TRIP DOWN THE NAPO RIVER

Napo Cultural Center is located on the south bank of the Napo River, the largest Ecuadorian tributary of the Amazon, and lies within the Yasuni National Park. The journey begins from the Town of Coca on comfortable motor-operated canoes, which travel down the river about two hours; during this time refreshments will be provided. You will see birds such as herons, kingfishers, terns and other Amazonian shorebirds as well as beautiful riverside landscapes.

Upon arriving at Napo Cultural Center, visitors are warmly welcomed with a refreshing traditional drink and immediately taken to their cabins amidst the teeming wilderness found on one of the most biologically diverse places on Earth.

In the afternoon, a short walk down to the Napo riverbank to enjoy a beautiful sunset on the beaches and natural islands. Return for dinner and rest.

DAY 2 VISIT TO THE PARROT CLAY

Breakfast and early departure on board the boat to visit an amazing parrot clay lick that with an easy access brings visitors face to face with approximately 11 species of parrots (including parrotlets and macaws), depending on the seasons, weather conditions and general good fortune. (This activity is usually successful).

We end This Morning With A visit to the Interpretation Center "Kuri Muyu" handled by the women of the community here learn about the Kichwa culture, crafts, Traditions and traditional use of natural resources directly to people in the community.

We return for lunch and take a break in the lodge.

Walk of one hour to climb up the observation tower of 35 meters likely to see a variety of birds, howler monkeys, squirrel monkeys, toucans, parrots and sloths.

Return to the hotel in a motorized canoe, traditional typical dinner

DAY 3 VISIT TO THE COMMUNITY

Breakfast visit around the community projects, talk about the worldview Kichwa. Addition to medicinal and walk in the Mama Cuna road, excellent opportunity to see more wildlife, ceiba trees, strangler, bamboo cane, vines and shrubs endemic from Yasuní.

We return for lunch and rest at the lodge. Once at Añangu stream, you will board a small canoe and head down the river in a spectacular adventure through the forest with opportunities to see nightlife alligators and to listen to the sounds of nature at its purest.

Return to hotel in motorized canoes, traditional typical dinner.

DAY 4 BACK TO QUITO

We get up at 4: 30 am to share one of the ancient customs of the Kichwa culture, making wayusa to energize the body listen, to the Kichwa songs and mind and think about important issues in a peaceful and unique way; then we get back for breakfast, before taking a motorized canoe back to the city of Coca. The program of 5 days or longer offers the opportunity to live a unique experience navigating the Napo River on an eco-catamaran which takes you to see tropical birds such as orioles, caciques, parrots, Several Species of herons, caracaras, doves, anis , terns and other species of primates. You can also practice water sports such as tubing or regatta on the Napo river or simply relax and unwind.
