Our main goal is to show the beauty of our country to the whole world with its unique culture, ancient history which is very valuable for us as Georgia is considered to be the birthplace of wine. Our delicious cuisine, fascinating nature and hospitable people will make your journey unforgettable.

Comfort and safety of our clients is the priority for us. This is the main reason why we supply our clients with our own transport and of course highly-qualified guides.

Each member of our team is orientated to offer Georgia as a product of new discoveries. We guarantee that your trip will be interesting, full of excitement and unforgettable memories.

“The core of mans' spirit comes from new experiences.”
